Most often, the most powerful images strongly communicate just one message, theme, or emotion. This book teaches readers how to take that theme or emotion they had when they first shot the image, and carry it through to the development process in Lightroom. After discussing this crucial process of bringing the photographer's intention and vision to Lightroom, duChemin first gives the readers a quick look at Lightroom's Develop module, explaining the features and settings--not only in how they work but in what aesthetic effects they have on an image. duChemin then reveals his personal process for developing images in Lightroom, as he works through 20 images, beginning with...
