Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

The singular essence of each of the movies has also been captured in more than 260 illustrations, many of which have never before been reproduced in a book .all accompanied by detailed and witty captions . Taken together, text, pictures, and captions open the door to unseen and impossible worlds . From the early flickers of the first rocket ship to the moon to late 1980s special-effects extravaganza . films of science fiction and fantasy have made moviegoers by the millions gasp with delight and gape in wonder . Now, at last, a single book evokes the same sense of fun and fascination as has kept generations of audiences enthralled with the fantastic world . Films of Science Fiction and Fantasy truly goes where no book has gone before . For the first time, science fiction and fantasy films have been combined in one supergenre . a genre that has long become mainstream . Frankenstein's monster & Godzilla share the pages with yoda and E.T. . Snow White and the Seven Dwarves with Captain Kirk and Mr. Spock . Everyone's favorite movies and characters will be found here; the book spans the globe, covering Europe and Japan as well as Hollywood, and includes works from the turn of the century through those of the 1980s . Organized thematically to give the images visual unity,...
