Trafford Publishing, Canada, 2006. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Other Side of Evil shows how a predatory sex offender develops from an early age to become the adult destroyer of innocent youth. The techniques he uses to lure children to him, often under the noses of their parents, are revealed as this man makes his way from victim to victim. Even when arrested and under the supervision of the Correction System, this unremorseful abuser continues to locate and create new tragedies for families. Written in the first person, the offender unashamedly discloses the justifications for his antisocial thoughts and actions up to the time that his burgeoning ego and carelessness causes severe errors in judgement and his undoing. His relationships with probation and parole officers, sex offender treatment providers and polygraphers show that this man has no respect for the law or any rules of society.
