Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Working on a master s degree in wildlife biology while helping take care of her sick father, she has no time for celebrity gossip, designer clothes, or lazy vacations. So when a duchess from the small country of Lilaria invites her to dinner, Samantha assumes it s to discuss a donation for the program. The truth will change the course of her life in ways she never dreamed . . .As crown prince of Lilaria, Alex D Lynsal has had his share of scandalous headlines, but the latest pictures in the press have sent him packing to America and forced him to swear off women. That is, until he meets Samantha Rousseau. She s stubborn, feisty, and incredibly sexy. Not to mention heiress to an estate in his country, which makes her everyone s front-page news. While Sam tries to navigate her new world of politics and wealth, she will also have to dodge her growing feelings for Alex. Giving in to them means more than just falling in love; it would mean accepting the weight of an entire country on her shoulders.
