Createspace, United States, 2013. Paperback. Book Condition: New. 226 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****. Preach the gospel to every creature ? What did Jesus mean? Genetic manipulation is happening, right now. It seems that science can mix different species of animal, including human, and engineer whatever outcome is desired. Human genes are being mixed with the genes of animals, plants, and for those who can accept it, with the genes of fallen angels. The question this book addresses is an important one for this generation: Did Jesus die for those who are not fully human? The Bible does not give a direct answer. John Darnell looks at the arguments, for and against, testing each against scripture. He particularly focuses on the issues surrounding those who are the outcome of fallen angel/human experiments: Nephilim.
