Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The School System of Norway This account is a descriptive statement of the organization, management, operation, anti efficiency of the public school system of Norway. The intent has been to consider only the more vital features, those essentials which definitely shape the products of educational endeavor. Many topics of interest have been touched but briefly while others have been omitted altogether. Some attention has been given to pointing out good qualities of the Norwegian schools and to indicating wherein we might improve our own. The materials entering into the make-up of this dissertation were gathered during a summer and autumn devoted to travel and study in Norway. Much time was spent in study at the University Library in Christiania and still more in the visitation of schools. It was with pleasure that I availed myself of the opportunity to see the schools in operation. I observed recitations throughout the entire program of study in every grade from the kindergarten to the University. I also visited many special schools and other educational institutions both public and...
