Of the seven naval engagements in 1814, the Americans gained four by confession of the English, and in two of the other three, when overpowered by irresistibly superior force, improved their national character by unexampled fortitude: for the captures of the frigates Essex and President enhanced the personal character of the vanquished, and improved the national character of their country. These disasters super-added unquestionable evidence of pre-eminent fortitude under discouraging circumstances to abundant preceding proofs that Americans brave dangers with alacrity. Some people excel in power of endurance, such as the English evinced at the battle of Waterloo. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find...
