BLOOMBERG PRESS, United States, 2008. Book. Book Condition: New. 236 x 157 mm. Language: English . Brand New Book. Powerlines, the exceptional slogans that people remember long after the campaign ends, stand out from the barrage of marketing messages consumers face each day. A product, service, company, candidate, or an organization with a powerline outshines the competition every time. Steve Cone, author of *Steal These Ideas!*, reveals the secrets to contemporary marketing's biggest mystery: how to conjure the phrase that will make a product irresistible and memorable. This book restores the lost art of creating killer slogans to its proper place: front and center in every campaign. Drawing on examples of great and not-so-great lines from marketing, politics, and popular culture, Cone provides an irreverent, intelligent, and insightful primer on a singularly important aspect of brand building. Silver Medal Winner, Advertising/Marketing/PR/Event Planning Category, Axiom Business Book Awards (2009).
