Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

University Press of New England. Paperback. Book Condition: new. BRAND NEW, Understood Betsy, Dorothy Canfield, Thanks to her loving but over-protective guardian aunts, Betsy is a fearful, self-absorbed, nine-year-old hypochondriac. One of the most terrible items on her long list of fears is the horrid cousins her aunts never mention without shuddering. When her aunts are suddenly no longer able to care for her, Betsy is, incredibly, sent to live with those very relatives. Arriving in Vermont alone and full of trepidation, Betsy is immediately invited by her Uncle Henry to drive the carriage. Steering the fearful horses is just the beginning of her adventures in New England -- and independence. By the novel's end, Betsy has become very fond of the rough but affectionate relatives who eat in the kitchen and expect her to wash her own dishes. When she gets a letter from the aunts inviting her to come home, Betsy must make a difficult choice. Understood Betsy has been published in numerous editions worldwide since its 1917 debut, and continues to charm readers with its delightful and surprisingly liberated characters.
