

Stochastics

By Hans-Otto Georgii

Walter De Gmbh Gruyter Jan 2013, 2013. Taschenbuch. Book Condition: Neu. 280x240x25 mm. Neuware - This second revised and extended edition presents the fundamental ideas and results of both, probability theory and statistics, and comprises the material of a one-year course. It is addressed to students with an interest in the mathematical side of stochastics. Stochastic concepts, models and methods are motivated by examples and developed and analysed systematically. Some measure theory is included, but this is done at an elementary level that is in accordance with the introductory character of the book. A large number of problems offer applications and supplements to the text. 407 pp. Englisch.
