TROUT FLY FISHING IN AMERICA

Createspace, United States, 2013. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.The author attempts to settle once and for all the raging controversy over whether it is better to embrace the dry fly or wet fly school of fly fishing. This alone, however, will not suffice without the aid of the anglers themselves. It would also be a good thing if all fishable trout waters, except small brooks, were restricted solely to fly-fishing with the artificial fly. Trout Fly Fishing in America is a facsinating look back at fly fihing in American trout waters near the turn of the...
