All Dogs Have ADHD

By Kathy Hoopman

Jessica Kingsley Publishers, Inc, 2008. Hardcover. Book Condition: New. All Dogs Have ADHD takes an inspiring and affectionate look at attention deficit hyperactivity disorder (ADHD), using images and ideas from the canine world to explore a variety of traits that will be instantly recognizable to those who are familiar with ADHD. Following the style of the award-winning All Cats Have Asperger syndrome, charming color photographs of dogs bring to life familiar ADHD characteristics such as being restless and excitable, getting easily distracted, and acting on impulse. This delightful book combines humor with understanding to reflect the difficulties and joys of raising a child with ADHD and celebrates what it means to be considered "different." This absorbing and enjoyable book takes a refreshing approach to understanding ADHD. Kathy Hoopmann is an Australian author living in Dubai in the United Arab Emirates. She is the author of ten books for children and teenagers published in Australia, the UK and the UAE. Her acclaimed Asperger Adventure series: Blue Bottle Mystery, Of Mice and Aliens, and Lisa and the Lacemaker, was shortlisted for a variety of literary awards and has been translated into five languages. 72 pages. Catalog #25747.
