CCB Publishing. Paperback. Book Condition: New. Paperback. 330 pages. Dimensions: 8.8in. x 5.8in. x 0.9in. Demons. We all have them. They take various forms and affect us in different ways. Some are obvious like drugs and alcohol. Loneliness and depression and self-doubt are not so apparent if that is all you've known until college. In *Holmes on the Range*, Dan Holmes, Esquire wakes up one morning and realizes he is living his childhood dream. Wife, children, houses, cars, jewelry and cash flow from his legal practice are his. What he doesn't realize is that the demons that haunted him when he was growing up did not disappear as his career blossomed. Then life threw Dan a typical business-oriented speed-bump that he handled by building it into a mountain he could never scale. Those long silent core emotions led him, with eyes wide open, to risk his profession, his marriage, his community standing and his soul to keep things going. Lie built upon lie, larger thefts compounded smaller ones--time was purchased with ever bigger crimes against the community he served while he ignored his family life. Just live long enough for one more economic upturn and a few good deals to come along--everything will be fine. Or win the lottery. FBI agents came calling first. After pleading guilty, ex-attorney Dan Holmes entered the federal prison system for a ninety-six month stay not knowing if he could survive in a world he had seen only in the media. Penal rehabilitation turns out to be a life lived with four hundred other minimum security types in an open campus where any inmate can walk off the property. Accountants, lawyers, physicians, drug dealers, stock brokers, priests, the mentally retarded, the mentally ill, odd pranksters, clever scammers, and people more resembling barking dogs than human beings...
