Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Ever New, and Never Old: Or Twice Told Stories Ever new are the memories of one s childhood Ever new the associations that cluster around the place of ones birth - the home where he was nurtured - the school-house where he took the first step in learning - the play-ground which witnessed his boyish sports, or bore testimony to his first triumphs in the games of childhood. Not these alone; for the alphabet once secured, and the power to combine letters into words, and words into sentences, having been attained, then came the irresistible craving for mental food, and the search for life-giving thoughts to satisfy this craving. Hence, one looks back with gratitude to those authors whose busy pens gave the needed entertainment and instruction.
