Reviews

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.

(Stefan Von)

WHERE THE MOUNTAINS REACH THE CLOUDS

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When fourteen-year-old Sidney s family moved from San Diego to the po-dunk town of Lost Trail, located in the western mountains of Montana, she thought culture shock was going to be the biggest hurdle. Turns out, life was about to become a lot more difficult than she could have ever imagined. Too bad for Sidney though, coming from California is not a good thing. The students as well as teachers, and townspeople are not very welcoming; in fact they go out of their way to make life difficult for Sidney. She faces many challenges and trials, but has hope when a new boy comes to town and has feelings for her. Unfortunately his feelings turn dangerous and change the direction of Sidney s life forever. She thought the kids were cruel before, but now she has entered a whole new level of maliciousness.
