Reviews

A must buy book if you need to adding benefit. Indeed, it can be engage in, continue to an amazing and interesting literature. I am effortlessly can get a delight of reading a published pdf.
(Elliott Wuckert)

CONNECTED: WITH THE STROKE OF A COMPUTER KEY A LIFE IS CHANGED.

Createspace, United States, 2009. Paperback. Book Condition: New. 202 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.As a caregiver full of despair and loneliness, Rose Lamatt enters a chat room on the Internet for the first time. She finds a different world than the one she s used to. Night after night, she signs into the same chat room, meeting people who listen to her, people who are passionate, loving, and at times just as depressed as she is. At times she lives her life through these online friends. They save her from the everyday trials of caregiving. They are there each night keeping her connected to someone, something, not feeling alone and empty. For more than ten years, Rose shares a friendship with these souls, living their hopes and dreams, sharing their heartaches and happiness. Support from these friends, inspired Rose to write this story. This could be called a memoir, all but for one thing.
