General Accounting Office, 2000 OCLC Number: (OCoLC)55687572 Subject: Laundries -- Costs -- Evaluation. Excerpt: . . . VA oversight is critical to ensure that the government receives all the services paid for under contract arrangements. Our Office of Special Investigations found that VA failed to properly oversee the Albany laundry contract with Universal Linen. First, contrary to the contract, the contractors payments were based on estimated laundry weights instead of actual weights. Second, invoices for payment were submitted by a government employee instead of the contractor as called for by the contract. As a result of the poor management of this contract, the 11 contractor was likely overpaid for the services provided. VAs Inspector General is reviewing this situation, and Albanys laundry has taken steps to improve its internal controls. VAMay be able to lower costs by competing in-house against private-sector Opportunities to Reduce laundry services. Our work at the Department of Defense shows that Costs at 52 VA Laundries competitive sourcing under OMB Circular A-76 leads to cost reductions through increased efficiencies whether the government or the...
