Most books on Retirement are really about Financial Planning or Estate Planning. Not this book! This book is about creating a fulfilling life in retirement; it is a crossover book between self-help and retirement. Create Your Retirement: 55 Valuable Ways to Empower the Rest of Your Life entices people to set out their hidden dreams, to reveal their lost hopes and to admit their secret desires, and then to plan a life to include them! This book encourages risk taking, honesty, and trusting yourself and others to make a fulfilling life in retirement. My coaching clients have left their stereotypical thinking behind, thrown off their insecurities and fears to do great things! They have become computer literate, published authors, public speakers and lay preachers. Some have traveled to places they had always dreamed about, others have stepped into roles with family and friends...
