About the Book JAMES GRANT The author of Bothwell, and many other romantic tales, was a Scotsman by birth, parentage, and perfervid sentiment. He was born at Edinburgh on August 1, 1822. His father was a distinguished Highland officer; by his mother he was related to his illustrious literary exemplar, Sir Walter Scott. He was only twenty-three years of age when The Romance of War made him one of the most famous authors of his day. Other tales quickly followed, including, in 1853, Bothwell, or The Days of Mary Queen of Scots, and it seemed as if readers could not have too much of the lively adventure and vigorous historical portraiture to which Grant unfailingly treated them. Altogether he wrote more than fifty novels, many of them involving considerable research. Grant outlived his popularity; the public sought new writers, and when he died, on May 5, 1887, he was penniless. For fertility of incident, rapid change of scene, and skilful intermingling of historical with imaginary people and events, Bothwell is not surpassed by any of the romances that came from its authors fertile pen.
