Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

If we have preached, it was because we thought we had something to say; if we have found fault, it has been that we might try to point out the remedy; if the Straight Edge has been somewhat caustic, it was for the purpose of compelling your attention. Au Kevoir, pax vobiscum, ta ta. THE EDITORS. THE STRAIGHT EDGE Some are born lazy, some get fat, and--some teach geometry. Mathematics Teachers Week, June 13-16. Do not let inaccuracy like a worm i the bud devour the damask cheek of your effectiveness in teaching. You will be sorry if you miss the Mathematics Teachers Week, June 13-16. Mournful Numbers is a phrase originating in the sad treatment accorded numbers by most teachers and students of arithmetic. You are expected at the Mathematics Teachers Week, June 13-16. In ye olden tyme a student colde sometymes bee fonde that knew wythe some exactnesse one or two definitons. Ye olde order changeth. You may get over not coming to the Mathematics Teachers Week, but you will never look the same. The date is June 13-16. The advance and the perfecting of Mathematics are closely joined to the prosperity of Nations. --Napoleon. MATHEMATICS CLUBS The Editors of the Bulletin desire to impress on all high school teachers of Mathematics the desirability of organizing Mathematical Clubs among the more gifted students under their instruction. Such clubs are a source of interest, and recreation for the better students, arouse a spirit of...
