Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE FALL OF THE THIRD NAPOLEON

Thistle Publishing, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****. A narrative which reads as easily as an historical novel, but is faithful to facts. Daily Telegraph The story is worked out like a film scenario, with cameras switching from court to street, from street to battlefield in a dramatic series. Mr. Aronson knows how to appeal to our visual imagination. Spectator One can only greet with pleasure a book on a historically most fertile theme that may be called a popular work of considerable appeal and relevance. History Today Mr. Aronson s style is clear and effective and not unduly overcoloured; while the portraits he draws of his unlucky protagonists are both sensible and sympathetic. Financial Times We shall have a lot of 1870 this year but I shall be surprised if anything is written which is much better than this. Books and Bookmen The year 1970 marks the centenary of one of the great turning-points in world history: the outbreak of the Franco-Prussian war and the resulting downfall of the French Second Empire. For centuries, until the debacle of 1870, France had been mistress of Europe and Paris the capital of the civilized world. Then suddenly, in a matter of weeks, culminating in the Prussian victory at Sedan, the centre of European gravity swung from Paris to Berlin; Germany became the dominant country on the Continent and it took two of the greatest wars mankind has ever known to oust her from this position. Under its creator, the romantic, inscrutable Napoleon III (a sphinx without a riddle , said Bismarck), and his beautiful Empress, Eugenie, the Empire had known eighteen years of luxury, pleasure, recklessness and gaiety, of gallantry and incomparable elegance
