Random House Australia, Australia, 2013. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. Capricornians, ever wondered what the Sun-signs tell you about love and life? This unique anthology of poems for love and life relates directly to your Sun-sign, Capricorn. If you were born between the 22nd of December and the 20th of January, you will relate to many of the themes identified with your sign s characteristics and personality traits. The poems in this collection have been chosen because they reflect a Capricornian attitude to life. They appeal to the interests ruled by your sign; the animals, flowers, trees, plants and places celebrated by the poets and associated with the sign of Capricorn over three thousand years of traditional astrology. Some have been chosen simply because we believe you will enjoy them, and that they will awaken or re-awaken your love of poetry.
