## Grey s Land Amazon

By George Redman

D. Williams, United Kingdom, 2008. Paperback. Book Condition: New. 242 x 184 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.After the 1947 Roswell UFO crash; the US government create MJ12, a secret organisation tasked to repel a feared alien invasion. It is directed by twelve key men who have either government, business or military connections. They have ultimate authority in regard to E.T. activity superceeding that of the US President and Congress. During the following sixty years, thousands of human abductions take place throughout the world. MJ12 believe the grey skinned aliens, have a breeding programme, as abductees have samples of either eggs or sperm extracted. However to avoid mass hysteria, they advise the world s governments to deny UFO existence, and to encourage media ridicule of reported abductions. Part of grey s agenda entails creating children with specific genes compatible with their own, as a virus previously infects their entire population making them sterile. Their hope is to recreate themselves by using the test-tube babies, after millions of them die, and they reach near extinction.
